Simple vehicle crime prevention advice

Leave this flyer on the dashboard so that **'STOP! No valuables in this vehicle'** can be read through the windscreen.

1. Never leave the ignition key in your vehicle while it is unattended.
2. Use secure car parks displaying the official Park Mark™ sign.
3. Remove all valuables from the vehicle and leave the glove box open to show it contains no valuables.
4. Lock all doors, close all windows and use a steering wheel lock every time you leave your vehicle.
5. Report any suspicious behaviour around vehicles to the police **immediately**.
6. Remember – always remove your sat-nav and the cradle, wipe away the suction marks and don't leave your sat-nav in the vehicle.
